Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

I really had to reply to Martin Fiske's comment in the June edition of the BHN. In short, if libraries don't lend out books then what else is there for them to do?

Lets just dispense with a couple of myths:

1. The internet is like a motorway without any roadsigns. Fine if you know where you want to go but if you don't you need to rely on a search engine.

2. Using a search engine. Type Cambridge into Google (www.google.co.uk) and, if you don't click on the box saying UK sites only, you will get 8,510,000 entries (Eight million, five hundred and ten thousand). Request only sites from the UK and you still get 1,580,000 entries. Search engines are incredibly stupid unless you know how to drive them exceptionally well.

I recently wanted some information on this years Cambridge festival. Type "Cambridge festival" into Google, select UK sites only, and you still get 459 listings, mostly refering to 2001 and 2002. Alternatively you can walk into your local library and pick up the leaflet!

Tesco's and the Newsagent do not stock a wide range of books, they only stock the current best sellers. Can you get a copy of Thomas Hardy's epic Far from the Madding crowd in Tesco? (yes I know it's recently been on at the Arts Theatre but it is one of my favourite novels)

So, in response to the alleged reductions in book borrowing, support your local library before it disappears to this myth that the internet can provide all!!! Despite spending all my working hours looking at a PC screen I still like to pick up a book and read it. Look at the advantages of a book, no expensive hardware, it doesn't need batteries and you can take it anywhere. If you borrow it from your local library it is free!

Local libraries are more than just loaning books. They are an information centre for those who either do not have access to, or chose not to, use a computer. They provide a centre of knowledge to our community in Bar Hill. Let us not sell the library short with some myth that they have been replaced by technology.

Before I am cast as a luddite a little bit of background. I have been working with PCs over the past 20 years and have a degree in it. Many years ago I even tried to get Windows version 2 to run!!

Andrew

Dear Editor,

You must pay £25

Yes this is true. Tony Croft, the S.C.D.C. Waste Minimisation Officer, informed a small group of Bar Hill Parish Councillors at a meeting on Monday 14 July, that the current policy of S.C.D.C. is, that should any wheelie bin issued to a householder be vandalised or stolen, the house occupier will have to pay £25 to obtain a replacement. Mr. Croft confirmed all the points raised in my letter, as printed in the B.H.N. in July, and answered by Mr. Iain Green. Environmental Health.

The Portfolio holder for Environmental Health is Councillor Colin Barker, who is responsible for the imposition of the coming wheeled bin service. Councillor Barker can be contacted at South Cambridgeshire District Council.

Dear Editor,

I would like to make a few comments with regard to the response from the Bar Hill Parish Council concerning my letter in last month's Bar Hill News.

Firstly, I accept that we have to rely on the goodwill of contractors to carry out the work agreed on. However, when six months go by without any attempt to sort the matter out, I feel that we have been patient long enough. We should not rest on our laurels. Also it would be appreciated if we could be kept informed of developments (if any) so that resentment does not build up. Presently we feel that we are being neglected. We need constant updating - preferably in each month's Bar Hill News. We would like to feel that our interests are being looked after by the Parish Council without constant pressure from the residents.

I trust that the major work now needed to restore our grass verges will not be started in December (as were the footpaths last year). How about calling on the services of the 'Ground Force' team!

Christine Kay.

Dear Editor,

Imagine my surprise at being singled out in the Bar Hill News by Mr. (Mrs.?) Mosley. It's certainly not every family that has this privilege, I'm sure. My family is, indeed, large and my boys (four of them) boisterous but I feel sure we are not alone in this. It is true that we have a dog, a young one, and one that sometimes barks. It is interesting, however, that others apart from Mosley have complained of his barking and often at times when we have either been away with our dog or had him curled up asleep in the living room. I fear it is not always so easy to know which dog is doing what barking. Our dog seldom barks at night or early morning as he is inside at those times and doesn't generally voice except when outside.

Since Mosley has been so attentive to the shouts of our children he has no doubt countless times heard them being reprimanded when they make excessive noise at inappropriate times. Should they not play out at all or have friends over? We have a happy coexistence with our direct neighbours and several others in Bar Hill. I have only ever heard one voice shout over a fence at us so, Mosley, I assume that was you.

We in my family have had a mostly very happy time here in our first year in Bar Hill. I hope that we will someday get along with all our neighbours. If you would like to stop by for a cup of tea to see our family please consider yourself invited. You might want to bring your earplugs, though.

Refuse Collection Day Changes to Wednesday

Residents' attention should be drawn to the middle section of the Summer edition of the South Cambs Magazine.

From 6th August rubbish collection in Bar Hill will fall on Wednesdays. The Green Box collection will be every other Wednesday from13th August.

This is not the Wheeled Bin Collection which will not start until 5th November for the 'Green' Wheeled Bin' and Green Box Collection and 12th November for the 'Black' Wheeled Bin Collection. The Wheeled Bins will be delivered about two weeks before each of these first collections.

The change of rubbish-collection dates has been made because wheeled-bin collections will be made from villages east of Cambridge from the beginning of September.

Residents may be surprised that kitchen waste (cooked food, meat and bones, old fruit and vegetables including peelings) cannot be placed in the 'green' bin. This is because Donarbon, the composting contractor, must first acquire the necessary approvals, which are likely about the end of the year.

Roger Hall
District Councillor

The Royal British Legion

Bar Hill Branch

Last months meeting was held at the village hall with 20 members present, with apologies from Joan Smart and Neville Clark.

The minutes were read by the secretary Ann Duce. Afterwards Ann distubuted various notices from headquarters and county offices.

The proposed trip to the poppy factory has been postponed after lengthy discussion, with a proposal of another trip some other time.

The branch poppy appeal organiser attended a one-day seminar at Sutton RBL branch, with some 40 PAOs there as well. A very interesting day was had by all.

The branch holiday to Torquay with Tony's Tours (Eclipes Coaches), are well in hand with Tony sending an advanced programme for the branch's appraisal. I would like to thank all members and friends who are going on the holiday for prompt payment of fees for the trip.

The evening's social side started with our monthly trivia quiz, won this month by Malcolm Cox. The meeting finished with a reminder from our chairman Mike Duce about the fete and our stall.

Our stall at the village fete was a great success with Joan Tanton, Margaret Clark, Ann & Mike Duce, Pat &Jim Hubbard holding the customers at bay to avoid the stampede for the cakes and the big food hamper that Eileen Wilmer had put together for with donations from all members of our branch. It was also noted that our branch President, Eddie Patrick, was in attendance to see fair play. The grand total of £143 was raised through the combined sales of goodies and raffle tickets for the hamper, which was won by Mrs Morris of Bar Hill.

Well done and thank you to those who worked so hard on our stall, and a special thanks to the people who supported the local branch of the Royal British Legion for their generosity.

On the 6th July 03 some 7 members attended St Andrew's church for the service of Swavesey branch rededication of their standard and service for their role of honour commencing with a parade of standards from various county branches and the Korean Veterans Association. Amongst the full congregation was the Deputy Lord Lieutenant and an array of legion officers from the county to help celebrate Swavesey's 80th anniversary.

The next branch meeting will be 28th August 19:30hrs at the Village Hall, the last one before the branch holiday.

SKATEBOARD PARK

Maintenance work will be carried out at the Park very shortly and hopefully will not disrupt the youngsters too much. This is much needed work and replacement of ramp surfaces now has a 5-year warranty. The Parish Council must emphasise that if the youngsters make repairs themselves to any of the equipment at the Park this warranty will become null and void. If there are problems in the future they should contact me.

TREES AND HEDGES

It's that time of year again when trees and bushes are growing out of control. I am asking residents to have a look outside their properties and if their trees or bushes are overhanging footpaths could they please cut them back.

LOST PROPERTY

I have in my office a remote control plane that somebody has lost over the last few days. If you would like it back please call in to the office. Also I have a couple of children's bracelets that have been found over the last couple of months. If you can identify them please let me know.

PARISH COUNCIL MEETINGS

The next Parish Council meeting will be held on Thursday 18th September 2003 at 7.00pm in the Village Hall. (We are in recess during the month of August) The public is very welcome to attend the meeting.

Blots on the Landscape

The voice on the phone said "There's something on the ring road near the entrance to Little Meadow". "Be there soon, thanks" was the reply.

After all these years living in the village, I'm used to people phoning me at all hours to let me know of a dead fox, deer or badger, or of sightings of woodpeckers and kingfishers. I'm glad people are interested in nature and use the countryside. Although not everyone uses it for relaxation or pleasure, others use it for more dubious reasons: digging out badgers and foxes; stealing eggs from the nests of our rarer species of bird; digging up snowdrop, cowslip and bluebell plants for commercial reasons; and, because they are lazy or stupid, or probably both, have taken to dumping household and garden waste in our lovely countryside.

I arrived at the entrance to Little Meadow but couldn't see any injured or dead animal, but I could see something that had been left by an animal. ... There was a cupboard and multi-shelf unit behind the bus stop, complete with wires for lights. Someone didn't like the look of it anymore (I can't say I blame them) so a call to Leigh, the Parish Clerk, to keep her informed. In the stream, almost opposite Field View, for the past 3-4 months, has lain a 'FOR SALE' sign from the 'Tucker Gardener Partnership', whose office is in Histon. When this first appeared, I phoned them using the number on the sign, spoke to a woman who assured me that it would be collected and not pollute the stream any more. I thanked her. A couple of weeks later I phoned again, spoke to a man this time, who also assured me that it would be collected. So, a third call a few weeks after that resulted in a negative response from a lady, who also asked others in the office if they knew anything about the sign and the earlier phone calls. Again the answer was "no". I thought "enough is enough", so I phoned and left a message on the answerphone of the Parish Council. We are now well into summer and that sign is still in the stream. Does nobody care?

A plastic chair is in the stream near the waterfall at the Nature Reserve. It has been there for several months. Why would anyone, whose brain is supposed to be functioning properly, carry a chair all that way and throw it in the stream? I suppose it makes a change from the Tesco trolleys (whose wheels are supposed to lock when removed from the site) which usually adorn the area, and the black bags and piles of household and garden waste that appear at the roadside and in the hedgerows. It's because people are too lazy and idle to get rid of them properly that they, and their rubbish, are the 'Blots on the Landscape'

Nick Richardson.

ABOUT US. We are members of the PLA (Pre-School Learning Alliance) and work to the guidelines set out by OFSTED. All areas of learning are covered in our daily sessions; these are Language/Literacy, Maths, Personal/Social Development, Knowledge & Understanding of the World and Creative and Physical Development. We have a keen and dedicated staff and the pre-school is run by parent committee (volunteers!) We encourage parents to be involved in the sessions through our "Parent Help" scheme which not only allows you to see your child interacting in the pre-school setting, but also gives substantially reduced fees!

Our aim is to assist the children's learning through fun activities and play. We use a wide range of toys and equipment, play dough, sand and water play, painting, construction, various types of materials, wood work, puzzles, shape sorting and sequencing boards, large floor mats and dice, a varied selection of books and the P.C. to name but a few.

We are also lucky enough to have our own secure garden, which is well equipped with a climbing frame, slide, play house, balance tyres and plenty of ride on toys to help build strong muscles.

During our sessions we take a break for milk and fruit. Your little one is welcome to bring a drink with them in a labelled cup that will be available for them to have at any time they wish as well as the above.

We celebrate the children's birthdays and you are welcome to bring buns, biscuits etc if you wish. We supply the candles!!

As we are registered with the Nursery Grant Scheme, each child is entitled to **5 FREE SESSIONS** per week from the term before their 4th birthday!

Call Vicky on 205497 for information and to book sessions. Registration forms available at Sunshine, the Library and Under Ones!

"THE POINT" YOUTH CLUB

"The Point" youth club resumes on Friday 12th September in the Octagon and then meets every Friday evening during school weeks. It's run by Bar Hill Church for the benefit of all village young people - there's loads to do and it's a great place to hang-out and have fun with your friends. The first club is from 7.30pm to 9.00pm and caters for those in school years 7, 8 & 9 whilst the second club from 9.00pm to 10.30pm is for the older teenagers.

Last year the club became so popular that we had to restrict the number of members and maintain a waiting list! So, if you're interested in joining this year (or renewing your membership), make sure you come along early to pick up an application form.

See you there,

Putting principles into practice

Providing a well-planned curriculum enables us to give each child rich and stimulating experiences in which they can explore, plan and learn to make decisions independently.

Our carefully considered environment allows for appropriate intervention by staff, which will engage children in the learning process.
All of our staff hold NNEB or teaching qualifications.

In recognising that all children develop at different rates we provide a caring atmosphere in which everyone feels included, secure and valued.

We respect and understand the important role of parents in their child's early years education.

Girlguiding

2nd Bar Hill Brownies

Its been a very busy few months for 2nd Bar Hill Brownies which started with a Harry Potter Pack Holiday in January at which Claire Cook gained her Pack Holiday licence. We were joined by a Japanese girl for a few months while she attended Bar Hill School and so one week we had a Japanese theme and she taught the Brownies how to make peace cranes. Girls attended the County Airport day where they 'flew' to different countries to do different international activities, gaining their Worldwide badge. On the international theme, Claire Cook went on a cultural exchange to Japan to stay with a Japanese guiding family and Alice Gathercole and myself went to New Zealand on a tour of the South Island organised by Guides New Zealand. These were amazing experiences for all of us. Along with other packs in Bar Hill we went a few weeks ago to Woburn Safari Park.

The Brownies have done a variety of activities including completing their Stargazing badge, playing giant monopoly and learning circus skills. A large part of the past term has been spent doing our Lord Lieutenant's Challenge. We have visited Huntingdon Fire Station, made a display about our favourite places in Bar Hill and have been to Wandlebury for Brownie Revels. Just recently we invited the senior citizens of the village to an evening 'Just for You' where we had a picture quiz, did a short play, sung a few brownie songs and gave refreshments. A big thank you to all the people who came along – I know that the Brownie really enjoyed entertaining you for the evening. We will be finishing the term with a cycle ride to Dry Drayton for a Teddy Bears' Picnic.

Anyone interested in becoming a member of the Bar Hill Allotments Society is invited to contact Paul Lloyd on 200591 or email bhallotment@hotmail.com

Composting Club

Everyone is asked to note that the informal arrangement for depositing compostible material have ceased and that only paid up members may now use the service. This is for legal reason; we may only accept selected material of known provenance, otherwise we stand to lose the permission to run the service from the Environment Agency. This means that only grass and plant waste, as set out in the rules, will be accepted at the regular times advertised to members. **Any other deposits will be treated as fly tipping and action will be taken against those responsible.**

The cost of membership is only £5 per calendar year, which we believe is good value, as each trip to Milton will use approximately half a gallon of petrol.

Rules, application forms and any technical information can be obtained from Peter Stockton on 204874 or Paul Lloyd on 200591 or email bhallotment@hotmail.com

Happy Hours

The Recycled Youth Club.

Month after month I write about the various activities of the Happy Hours Club, and quite often I will refer to the activities of one or other of our members. We are a very successful Club, but as many of you may know, success is only brought about by hard work. So this month I would like to say a big thank-you to the members of our Committee who work so hard for our enjoyment. Those who attend quite early to lay out the tables and the chairs, and of course the book stall, and stay afterwards to clear up the hall. To Olwen and Margaret who ensure that there is always tea or coffee available on our arrival. To Fred, who takes the money for our lunches, and to Vera who is always ready to sell raffle tickets. To Ruby, who estimates and purchases our food and beverages and oversees the preparation of our lunches. To all those other ladies who help out in the kitchen, or the gents who are always on hand for any other jobs. To Helen who arranges our holidays and monthly coach outings, and of course, last but by no means least, to our Chairman, Sid Hunt, who does so many things in managing the Club. Well done Committee, we appreciate all that you do.

Outings. Our outing to Southend, on Wednesday 18th June, was most enjoyable and we were blessed with good weather. The July outing will be to Cromer, on Wednesday 30th., when many will be attending the Summer Show at the theatre on the pier. The August outing is arranged for Wednesday 20th when we will be travelling to Hunstanton.

Holidays. A number of our members will be joining with the British Legion party for a five-day holiday to Torquay on Monday 8th September. This year's Tinsel & Turkey holiday is booked for 24th to 28th November, at the Haddon Hall Hotel, at Eastbourne.

Village Fete. The Village Fete was well organised, well supported and held in excellent weather. Our 'Bottle Stall' was well run by our friends, Brian and Jean, and their merry helpers. Many thanks to all those who supported the stall, and also the Village Social Club for their generous donation of £75.00. It was pleasing to see so many of our members at the fete.

Brownies Evening. On Tuesday 24th June, the 2nd Bar Hill Brownies invited the members of Happy Hours to attend their meeting at the Octagon, as one of their projects. What a splendid evening it turned out to be. We were well entertained and served with drinks and cakes by some 20 of the girls together with their leaders. Well done Brownies of Bar Hill, we were so pleased with your hospitality

Raffle. Our July raffle, held on Monday 7th, raised the sum of £55.50.This was made up to £60.00 from club funds, and donated to the Church Children's Holiday Club, which is shortly to be held. Many thanks to our members for the many prizes donated, and for their support.

Sickness. Bill Spratt is still in hospital, but his wife Mary, tells us that he is making slow but steady progress. Iris Cakebread has been in hospital, but is now at home and on the mend. Our old friend, Joan Platt is still in a rest home, and we send her our best wishes. I am pleased to report that George Wood has returned home after many weeks away. Well done George, we hope to see you soon.

Dennis Holt, 780948.

Social Club

Membership draw is back to a jackpot of £200 after being won in July but it is still worth being there for it as you never know it could be your number next out.

Remember that membership renewal is in September but if you are not a member at the moment then there is still time to apply before then: just see one of the door stewards in the club for a form.

An Assistant Bar Steward is required as Craig will be leaving us soon, please apply to Margaret Carpenter, the social club secretary, if you are interested in the position. Good luck Craig and keep in touch. You will be missed up there.

Just one last reminder: that no glasses are to be taken outside. Please ask for a plastic from behind the bar.

Forthcoming events:

Saturday 9th August: membership draw

Monday 11th August: family day out (Chessington World of Adventure)

Sunday 17th August: cricket match & barbecue

Saturday 23rd August: membership draw

Sunday 24th August: family rounders match & barbecue.

Bar Hill Football Project

The village 5-a-side football league is now in it's fifth phase. If you are interested in entering a team into the league contact Paul Thorby on 781527.

A hockey club has being formed to include junior coaching sessions and casual sessions for adults. More details of the club and committee will follow in the next Bar Hill News. Junior coaching starts on Wednesday 10th September in two age groups and Ladies adult / youth sessions start on Tuesday 9th September from 8pm until 9pm. For more information please ring Claire Thorby on 781527.

The facility is available for hire by clubs, organisations or private hire for matches or football birthday parties etc. With the summer here there is less football training so more opportunity to hire the facility in the evenings. In the school holidays there is a special midweek before 5pm rate of £7.50 an hour. If you wish to find out more about hiring the facility, then contact our Bookings Secretary, Lisa Francis on 201160.

If you have any spare time and can join a rota to help supervise regular pay and play football sessions on the pitch for juniors please give me a ring on 781527. We are also looking for someone to run some Kwik Cricket sessions (6 vs 6) on the pitch which has been trialled successfully.

The Bar Hill Football Project AGM will be held in September - look out in the September Bar Hill News for the date.

The 1st Team showed improvement this month and could be turning their season around. Firstly, they played League leaders Willingham I. Bar Hill batted first but were skittled out for 76 with only Peter Howard (20) and David Cullum (21no) reaching double figures. Despite David Rush (2-14) bowling out both the Willingham openers by the third over, Willingham cruised to victory without further loss. The next opponents were Waterbeach I who managed to retain wickets when they batted and with three balls of their innings left were 141 for 3. However, David Fletcher (4-15) managed to lift Bar Hill spirits by taking the first competitive Bar Hill hat-trick for five years off the last three balls. Despite losing regular wickets Bar Hill managed to match the required run-rate until, with only one ball remaining Bar Hill required two runs to win the game. A scampered leg-bye later and the match was tied which denied Bar Hill a morale-boosting win and Phil Walmsley (49no) a well deserved fifty. Bar Hill tried to go one better when they played Girton I. Girton batted first and posted a competitive 167 for 7 with Phil Walmsley taking 3-43. Following a good start from David Fletcher (46) it was looking like another tight finish. Girton were the slight favourite as Bar Hill still required 20 more runs off the last 3 overs. However, Phil Walmsley (46no) had other ideas as he hit four sixes off the next five balls to seal a welcome victory for Bar Hill.

The Friendly Teams first match last month was against Cambridge Jesters. Jesters proceeded to post an even 200 for the loss of six wickets helped by Ian Wagstaff who hit exactly half the runs before retiring. The best of the bowling figures for Bar Hill was 2-41 registered by Martin Cullum. After losing a wicket with the first ball of their innings, Bar Hill set about chasing the required runs, with good knocks from Simon Smith (20), Mark Thompson (32) and finally Peter Howard (52) with a good half-century. However, Bar Hill ran out of wickets with the score on 157 still 43 runs short. Next came the annual game against Bar Hill Church. The Cricket Club batted first and, thanks to 27 from David Sandham and an unbeaten 30 by Cameron Scott, posted a competitive 170 for 7. Despite six of their players getting into double figures the Church could not match the Cricket Clubs run-rate and finished well short on 110. David Cullum relinquished his usual position behind the stumps to finish with the best bowling figures of 2-5. Bar Hills next opposition were the Beehive. Despite Phil Orvis (29), David Fletcher (28) and Martin Cullum (27no) all getting twenties, Bar Hill could only post 144. The Beehive took to their task with relish punishing any wayward bowling and won the game with over ten overs to spare. Although expensive, Adam Dean finished with the best bowling figures of 2-55. For the first time there are two matches against the Bar Hill Social Club this season, one a competitive 11 vs 11 sporting contest and one a more social game. The last Friendly Team game of this period was the competitive match. The Social Club fielded a very strong team including Ian Wagstaff, who had scored an unbeaten century against the Cricket Club less than a month previously. The Cricket Club batted first and managed to post a reasonable 141 before they were all out. David Rush (30no) narrowly beat Martin Cullum (29) to be top-scorer for the Cricket Club. The Cricket Club, arguably, put in one of their best bowling performances for a long while and managed to skittle out the Social Club for just 114. David Rush put in a superb bowling spell finishing with 4-15 and Martin Cullum mopped up the tail to finish with 3-18.

There was only one League win for Bar Hill Juniors last month (the Under 15's against Over). However, Cameron Scott was still re-writing the Bar Hill record books as he scored a total of 340 runs in just five games and was only out twice. His innings included an 87 and also an unbeaten 90 against Longstanton which beat both Cameron's and Bar Hills best ever Junior score. There were also other notable performances last month. Scott Stanford hit 25 and Adam Dean took 2-4 against Over and Robert Moore took 2-9 against Longstanton. Cameron Scott also weighed in with the ball by taking 4-20 against Over.

BAR HILL COLTS F.C.

Hello and a warm welcome to our monthly Soccer Page. The season is fast approaching, and you will no doubt, by now, be seeing lots of activity on the village green, as the boys and girls start their training in earnest. This is a tough time for us all in football as we all beaver away getting all the registration forms signed, and we work hard to ready the children for the season ahead. This time of year is also filled with pre-season friendlies, so if you get the chance, pop along and see how out teams are shaping op for the 2003-2004 season.

CONTACTS & MANAGERS

It is with great pleasure that I can announce that all the managers, and committee places are filled for the coming season. Welcome back to **Lisa Francis** (we knew she couldn't stay away), and good luck to **Darren Cook** our new Under 7 Manager, and to **Ruth Pimentel** who is taking over girls football, and hopefully running a team.

Once again, my thanks to Ashley Curry for his valuable information about the goings-on in the Adult team. Please also do pop along and see some of their matches, as the season unfolds. There is nothing better for any of the players representing Bar Hill, than to see a big crowd, and know that the entire village is behind them.

NEW LOGO

Our new badge is now well established, and I believe is making its first appearance on two of our teams shirts for the 2003-2004 season.

MORE TEAMS–MORE FOOTBALL

You will now see that this season we will hopefully be running 2 teams at Under 10 level, **Keith Wilson** has very kindly offered his services to manage our new Under 10B team. This will enable more young boys and girls the chance to play Mini League Soccer. This meets with our primary commitment, **'to provide football for all children who wish to play'**. This also meets with the aims of the Mini Soccer League, and FA alike who want to see all children being given an equal opportunity to play the glorious game.

POPULAR CLUB

I just thought it would be nice to let you know how popular we have become. In the last three months we have been contacted by a number of players who are moving to the area. They have been impressed with the way our club and village is presented, and although they have not necessarily been moving into our village, they still wanted to play for Bar Hill. I have to say I feel quite proud of our achievements.

More news next month.

Barry Dean

Please note our new e-mail address!

BAR HILL F.C.

A warm welcome to Bar Hill Senior Football Club.

TRAINING

Pre season training is now in full flow, and our teams are shaping up nicely for the season ahead. New players are always welcome so if you fancy that you are an Alan Shearer, or David Seaman then give us a call.

CHARITY MATCH

The big event this month is the Charity Match, which will take place on **Sunday 24th August** on the village green. All ready for a 10:30am kick off, when the Bar Hill Old Boys will take on the current team. It promises to be an eventful game, with **all** money raised going to the **Neo-Natal Intensive Care Unit** at Addenbrookes Hospital. A **raffle** will be held to raise funds, raffle tickets are available from any of our committee members. If anybody would be kind enough, we are open for donation of raffle prizes. These would be greatly appreciated, and may be handed to **Jon York** at **77 Hollytrees**, Bar Hill.

SOCIAL

At **8:00pm** on **Saturday 4th October** we are holding a spectacular **Race Night** at the **Social Club**. The aim is to raise lots of money to help pay for some goals, which are badly needed. We are hoping to buy the '***portable type***', which will make all our lives a lot easier on a Sunday morning.

THANKS

A big thank you to the Parish Council, who very kindly gave us a donation towards the purchase of the new goals. Without their assistance, it wouldn't be possible. Don't forget to keep checking for news of forthcoming events on the notice board in the Social Club. See you all at the Charity game on the 24th, thanks.

Ashley

Bar Hill Pre-School Playgroup

You will find us in the Village Hall Centre on the Village Green, which can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our community playgroup is to enhance the development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**, which provides the educational setting required by OFSTED. Our qualified friendly 'Early Year's Practitioners' - Sonya, Julie and Sylvia supervise our sessions.

WE OFFER YOUR CHILD:

A tailored curriculum, following the Foundation Stage. With the emphasis on "Learning Through Play".

* Individual care and attention made possible by a higher ratio of adults-to-children.
* Fun and friendship with children and adults.
* We monitor your child's progress and keep a confidential record of their development and achievements.
* We recognize parents are the first and most important educators of young children. We therefore offer the opportunity to directly get involved in the playgroup through our parent helper scheme. This offers reduced fees if you choose to help at a session your child attends.

We also offer the Parent/carers the opportunity to become a committee member and be part of the running and decision making of the playgroup.

CURRICULUM

Within the group all children are supported in developing their potential at their own pace. Our Key worker system enables our staff team to ensure a planned curriculum tailored to the needs of each individual child. Using the Foundation Stage Curriculum the child's development is split into 6 areas of learning.

Tues 11.15 - 12.15

The Lunch Club which is partly funded through the New Opportunities Fund, offers the child the opportunity to have their packed lunch at the Pre-School with their friends and our staff team. Lunch Club places can be booked through our administrator

NURSERY VOUCHERS

Under the Nursery Grant Scheme we can offer 5 free sessions when your child is eligible. For further information please contact, Julie Jolley 780445.

SUBSIDISED PLACES

We also offer reduced session rates for Parents/Carers on Income Support/ Working Tax Credit.

Proof of benefit will be asked, to claim discount.

PLAY TOTS

This is run by Sonya on a Tuesday morning and is an excellent way for your tiny tots to get used to the idea of pre-school. The starting age is One Year until Three. It is popular with both parents and childminders and really gives children the chance to enjoy playing and crafts. We want to give parents maximum time to enjoy playing with their children and to have a well deserved break, so no tidying or clearing up duties. The playgroup takes care of that. Tea and coffee is available for adults, and children are given a drink and biscuit as part of the entrance fee. The other good news is that it is "pay on the day" so you don't lose out if you can't make it one week. Come and see us, no need to book. Just turn up on the day.

PLACES

For places ring Sylvia **201670**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

Army Cadets

Yardley Chase Weekend, 13th – 15th June.

About 80 Cadets and adults went to Yardley Chase (near Northampton) for training in the field i.e. not in hutted accommodation. The training covered all levels of training from the very basic to the senior cadet. This only cost £15 for coaches, food etc.

As there is to many activies to mention we quote from one of our own Cadets L/Cpl Ben Sacre "It was excellent an experience for basics (newer cadets), as well as 1 to 3 star Cadets. WE had 24 hour ration packs and each night slept out in Bashas (army improvised shelters).....I am looking forward to the next one."

British Grand Prix, Silverstone, 17th - 21st July.

150 Cadets and adults plus will be going to this event to help raise funds for equipments that the Army does not supply i.e. adventure training equipment, rock climbing kit, canoes etc. The cost to all is zero (apart from some work) plus they get to see the Grand Prix, on the day from good vantage points. The public will be paying hundreds of pounds for this!

Annual Camp, 26th July – 3rd Aug.

Over 350 of us will be going to our Annual Camp at Ripon, Yorkshire during this period and taking part in lots of exciting and challenging activities. Some time will be in the field and some in a hutted camp. More about this when we return. You should realise this is only costing our Cadets £60 (plus what they spend at the NAAFI).

August Bank Holiday, 23rd – 25th Aug.

Two events, affecting us, are happening that weekend. One is a 2 day event for newer Cadets (Cost £10 or £15?) at our County HQ, which is a brick-built accommodation at Waterbeach. The other is raising funds at the Fenland Country Fair at Quy.

Remember we parade 50 weeks of the year we do not stop for holiday (apart from Christmas).

Also visit our county website for a full list of events, better still come and see us at Longstanton Detachment on any Wednesday evening.

The Friends of the Rosie

The Friends of the Rosie are a group of 70-80 enthusiastic and willing volunteers whose aim is to improve the services provided by the hospital by raising money to buy items that are not provided by the National Health Service.

As part of our fund-raising we run the Tea Shop in the Outpatient Clinic at the Rosie Hospital. The Tea Shop is open five days a week from 9am to 5pm. Can you help for a few hours a week or on an occasional basis? If so, please telephone Audrey Ryall on 01223 353566.

The Friends also have a loyal team of knitters who make children's clothes and toys (under the name "Rosie in Stitches") for us to sell. Our knitters are in urgent need of ribbons and polyester toy stuffing. We have a stall at Addenbrooke's Outpatients on Monday 11th August. Can you help on our stalls, either regularly or occasionally? If so, please call Avril Williams on 01954 782431.

We also have a "Rosie in Stitches" display at the Rosie Outpatients Tea Bar, Chaplin's Fruit Farm in Fulboum, Hackers Fruit Farm on the A14 by Dry Drayton and the Rectory Farm Shop on the A10 by Milton. If you are looking for a special gift for a friend or a relative come and choose from our wide selection at one of the above stalls.

If you would like to become a Friend of the Rosie or would like to make a donation please contact our Chairman, Mrs Sally Munday, 22 Fendon Road, Cambridge, CB1 7RT Telephone: 01223 212365.

Thank you to everyone who has already supported the work of the Friends of the Rosie by way of donations of money, materials and time.

Can you help with the production of the Bar Hill News?

We are often in need of new volunteers to join or team of about 50 helpers. There are always people who need to stop helping for many different reasons, such as ill health, family commitments and moving away. We currently have room for collators and delivers. Collating involves assembling 100 copies and stapling them with the electric stapler that we provide. Delivery is typically to something between 40 and 70 houses. We produce 11 copies each year, and we often ask you to help with the Fete Programme as well. If you are willing to help, please contact either Raja Iyer (200291) or Keith Morris (782441).
